Purpose

This fictional policy describes monthly payroll timing, cutoffs, payslips, and salary-query handling at Acme People Labs.

1. Payroll Schedule

- Monthly salary is credited on the last business day of each calendar month.
- If the scheduled date is a bank holiday, salary is credited on the preceding business day.

2. Monthly Cutoff

- Attendance, unpaid leave, and variable-pay changes must reach Payroll by the 20th calendar day.
- Changes received after the cutoff are normally adjusted in the following payroll cycle.

3. Payslips and Bank Details

- Digital payslips are published in the HR portal within 2 business days after salary credit.
- Employees must verify bank details in the HR portal before the monthly cutoff.

4. Payroll Queries

- Employees should raise salary discrepancies through the Payroll Helpdesk category in the HR portal.
- Payroll acknowledges a query within 2 business days and targets resolution within 5 business days.
